<b>Medicare Claims Procedure</b>	If Medicare is the primary carrier, claims must be submitted to Medicare first. After Medicare processes the claim, you will receive an Explanation of Benefit (EOMB). <b>Prescription Drug Policy</b>	The Prescription Drug benefit is administered through Humana's Drug formulary, which includes over 850 drugs. A physician may request authorization in writing to cover a non-formulary drug; authorization may be granted based on documented medical necessity. Request a 2003 Provider Directory for more information.
<b>Dispensing Policy</b>	Prescriptions are dispensed in a maximum 30-day supply, with the exception of oral contraceptives, which are dispensed at one copay per cycle. Authorization for multiple refills at one time for travel purposes may be obtained by the pharmacy containing Humana's Pharmacy Department.
<b>Mail Order</b>	Humana continues to offer a mail order prescription drug plan. Please refer to either the Humana Member Handbook inside your Provider Directory, visit the Humana website at <a href="http://www.humana.com">www.humana.com</a> or call Customer Service at 1-800-4Humana (800-448-6262).
<b>Disposable Diabetic Supplies Procedure/Durable Medical Equipment</b>	Most disposable supplies are available from a Plan pharmacy. See Member Handbook for details. Durable medical equipment (DME) supplies (including insulin pumps) should be obtained from a Plan DME provider. You will pay your 20% copay when you pick up the DME supplies. See the Provider Directory for a listing.
<b>Outpatient Mental Health Network/Policy</b>	You may use any of the mental health/substance abuse providers listed in the Preferred One section of the Provider Directory. For assistance in identifying a specific mental health/substance abuse provider, contact Preferred One at 1-800-361-0491.
